go to the graduation fund.**

The Principal's Corner:

First, we are blessed to serve at CHA. This truly is our mission field. We'd like to wish everyone a blessed Easter season, as we celebrate the resurrection of our Lord and Savior, Jesus Christ.

As we write this, we are approaching our Spring Break, and we pray that everyone will have a safe and restful break.

The month of April we'll be conducting our Iowa Basic Battery for all the students designated by the state.

We'd like to thank our wonderful volunteers and chaperones for all the help they have given us this year. We are very grateful to them for their support.

We are excited at the movement of the Holy Spirit that is taking place at the school right now. We Pray this will continue.

Gary & Lynne Lenzi
